Operadis

<http://www.operadis-opera-discography.org.uk/>

This website contains "discographies" which were generated by CLOR of the all opera recordings, including those written by Giuseppe Verdi. CLOR is an Indexed Electronic Catalogue (IEC) on CD-ROM in which it is intended to list all recordings that are or have been commercially available of "complete" operas or of extended excerpts of operas longer than about 20 minutes, i.e. as long or longer than one LP-side. Audio and video recordings are included and the term "opera" is taken to include operettas, opéra-bouffes, G&S, zarzuelas and a few musicals, as well as works normally described as operas.
